Dear Sir/Madam,

**RE: REQUEST FOR FINANCIAL ASSISTANCE TO ENABLE ME
COMPLETE MY STUDIES**

I am **Felix Odhiambo**, a fourth-year student pursuing a **Bachelor of Science in Computer Science**, Registration Number **CS/MG/2595/09/19**.

I am writing to respectfully request your assistance regarding the financial challenges that have greatly affected my academic journey. Due to severe financial constraints, I was unable to pay my tuition fees, which forced me to suspend my studies from **2023** until this year, when I was able to resume and attend classes during the current semester. Despite my determination to continue with my education, my financial situation has made it impossible for me to clear the outstanding fees required to sit for my examinations.

My dream has always been to graduate and apply the knowledge and skills I have gained to make a positive contribution to society. Unfortunately, the outstanding fee balance has prevented me from sitting for my examinations and completing my degree programme.

I therefore humbly appeal to your office to consider my situation and, if possible, grant me financial assistance or any support that would enable me to settle the outstanding fees, sit for my examinations, and successfully complete my studies. Your assistance would give me the opportunity to achieve my academic goals and build a better future.

I sincerely appreciate your time and consideration of my request. I remain hopeful that my appeal will receive your favourable consideration. Thank you for your understanding and kindness during this difficult period.

Thank you.

Yours faithfully,

Felix Odhiambo
